ABOUT ME

With over four years of dedicated experience, I have passionately crafted cutting-edge web and mobile applications as a Full Stack Developer. This journey has not only refined my skill set but also provided invaluable opportunities to collaborate with clients worldwide, delivering tailored solutions that exceed their expectations. My relentless pursuit of innovation, deep love for coding, and unwavering commitment to staying at the forefront of technology define my professional ethos. Additionally, I have thrived as a part-time freelancer, adapting seamlessly to diverse projects. My proven track record and adaptability make me an ideal candidate to drive success for your company

WORK EXPERIENCE

21/11/2022 – CURRENT Karachi, Pakistan

FULL STACK DEVELOPER TEAMX PAKISTAN

As a full stack developer, I create web applications using PHP Laravel and React Next js. I design and implement database structures, ensuring they seamlessly integrate with the application. Developing APIs and linking them with the front-end is also part of my role. I work closely with the design team to ensure that the UI/UX design meets technical specifications.

In my role as a full stack developer, I utilize PHP Laravel, Python Django, and React Next js to work on various web applications. I manage multiple tasks and responsibilities within this capacity.

10/05/2022 – 19/11/2022 Karachi, Pakistan

FULL STACK DEVELOPER FUGEN SERVICES

As a full stack developer developed web and mobile applications using PHP Laravel, React, and React Native, Designing and implementing database schemas and integrating them with the application. Developing APIs and integrating them with front-end application, Collaborating with the design team to ensure that the UI/UX design aligns with the technical requirements.

As full stack developer worked on web and mobile applications using PHP Laravel, Python Django, React, and React Native and handled multiple tasks and responsibilities.
